UIP Fights Against Hunger + Homelessness

Urban Investment Partners (UIP) is joining the fight to end hunger and homelessness in the metro Washington DC area.

This November, UIP will donate \$1 to The Anne Frank House (AFH) for every canned food item donated at a UIP participating location. The Anne Frank House is an organization that provides housing and social services to women and men with chronic mental illness. All food items will be donated to the Capital Area Food Bank in Washington, DC.

Donations will be accepted at the following UIP locations:

- **UIP Main Office:** 3406 Connecticut Ave. NW , Washington, DC 2008
- **Adams Morgan:** 1841 Columbia Road NW, Washington, DC 20009
- **Marbury Plaza:** 2300 Good Hope Road, SE, Washington, DC 20020
- **Hillside Heights:** 5237 Marlboro Pike, Capital Heights, MD 20743

UIP is committed to fighting homelessness in the nation's capital. AFH has partnered with UIP to increase awareness of the plight of homeless individuals and families and to erase homelessness in Washington DC.

AFH houses homeless individuals with challenges in our rented apartments and owned condominiums. AFH is board managed; employing only a part time bookkeeper. More than 98% of donations go to directly pay rents, mortgages and other associated costs of providing services to AFH clients.

Founded in 2001, the UIP family of companies is a leading real estate investment, development, and property management firm based in Washington, DC. The firm invests opportunistically in a variety of asset classes, with a primary focus on multifamily properties in select neighborhoods. Since 2001, UIP's principals have sponsored real estate funds throughout the DC metropolitan region with a total valuation of over \$375 million. For more information about UIP and/or its funds, visit www.uipllc.com.
